PROFESSIONAL EXPERIENCE

Senior Process Associate - Supply Chain Operations
Tata Consultancy Services (TCS), Indore | 2024 - Present

- Manage end-to-end supply chain operations: order management, fulfillment coordination, exception handling and service delivery.
- Track demand, inventory movement, dispatch schedules and turnaround times so customer orders go out on time.
- Find gaps in the process and fix them, which has cut down delivery delays and errors.
- Support continuous improvement work and updates to SOPs.

Associate Project Manager
ESP Softtech Pvt. Ltd., Indore | 2023 - 2024

- Handled project coordination: task scheduling, resource allocation and milestone tracking.
- Main point of contact between clients and the internal team.
- Identified project risks and worked to resolve them, and checked that deliverables met quality standards.
- Prepared project status reports for stakeholders and senior management.

Associate Project Manager
SynergyTop Softlabs Pvt. Ltd., Indore | 2023

- Managed a portfolio of 30+ web development projects, keeping them on schedule, on budget and up to quality standards.
- Took on 40 more projects, handling risks, keeping documentation current and sorting out budget discrepancies in a fast-paced environment.

Business & Technology Delivery Associate
Accenture Solutions Pvt. Ltd., Indore | 2021 - 2023

- Implemented OpenText Vendor Invoice Management (VIM) for a global automobile parts company.
- Carried out the end-to-end VIM implementation for a European grocery chain.
- Provided analytical reporting and invoice-checking services for a Canadian energy technology company.
- Part of the capability team. Ran VIM training and acted as subject matter expert for VIM issues across client accounts.

Customer Service Associate | Teleperformance | 2021

Business Development Associate | Toppr Technologies | 2021

Deputy Manager - Relationship Manager | ICICI Bank, Anand | 2021

- Managed day-to-day banking operations and customer relationship activities.

PROJECTS
